A.I. & SPIRITUALISM

SATAN'S OVERMASTERING DELUSIONS

1. In this Sabbath School Lesson, we will study how spiritualism through A.I. technology is one of Satan's chief mediums to unite the world against God in these last days.
2. Read the following quotation and write down the three elements that will unite to form the National Sunday Law.

Through the two great errors, the immortality of the soul and Sunday sacredness, Satan will bring the people under his deceptions. While the former lays the foundation of spiritualism, the latter creates a bond of sympathy with Rome. **The Protestants of the United States will be foremost in stretching their hands across the gulf to grasp the hand of spiritualism; they will reach over the abyss to clasp hands with the Roman power; and under the influence of this threefold union, this country will follow in the steps of Rome in trampling on the rights of conscience.** {GC 588.1}

3. Let us identify this three-fold union in Revelation 13. Read Revelation 13:11-12. What name is given to the entity that represents the Papacy?

a) Where in the same chapter do we find the description of this first beast?

-
4. What will the second beast, the United States of America, make? Revelation 13:14

a) **Note:** The Image of the Beast, which the United States will make, is a union of church and state as it is in the Papal hierarchy and governance. The apostate Protestants of this nation will influence the people and the politicians to call for this unification and to force people to worship as the beast worships, on Sunday by law.

5. Through the power of Satan, what works will be done? Revelation 13:13-14

-
6. **Note:** Since not all of mankind consider themselves religious, it would be difficult to induce people to rest on Sunday. This is why Satan will work through spiritualism and miracles to unite people under his banner of deception. Let's look at the ways Satan is preparing people to honor the false Sabbath in these last days.

The line of distinction between professed Christians and the ungodly is now hardly distinguishable. Church members love what the world loves and are ready to join with them, and **Satan determines to unite them in one body and thus strengthen his cause by sweeping all into the ranks of spiritualism. Papists, who boast of miracles as a certain sign of the true church, will be readily deceived by this wonder-working power; and Protestants, having cast away the shield of truth, will also be deluded. Papists, Protestants, and worldlings will alike accept the form of godliness without the power, and they will see in this union a grand movement for the conversion of the world and the ushering in of the long-expected millennium.** GC 588.3

7. What two institutions did God give to mankind in the Garden of Eden?

a) Genesis 2:18, 24

b) Genesis 2:2-3

17. **Note:** Saul did not see the figure that represented Samuel. The witch claimed to have seen Samuel (1 Samuel 28:14). The witch said that the old man had a mantle, and Saul believed it to be Samuel. In these last days, Satan will use many methods to deceive people. Like Saul, he will cause individuals to hear detailed descriptions of their dead loved ones (the way they dressed, phrases they commonly used, etc) from modern spiritualists. For others, Satan will deceive them by allowing them to literally see and touch demons who are posing as their dead loved ones.

Many endeavor to account for spiritual manifestations by attributing them wholly to fraud and sleight of hand on the part of the medium. But while it is true that the results of trickery have often been palmed off as genuine manifestations, there have been, also, marked exhibitions of supernatural power. The mysterious rapping with which modern spiritualism began was not the result of human trickery or cunning, but was the direct work of evil angels, who thus introduced one of the most successful of soul-destroying delusions. **Many will be ensnared through the belief that spiritualism is a merely human imposture; when brought face to face with manifestations which they cannot but regard as supernatural, they will be deceived, and will be led to accept them as the great power of God.** {GC 553.1}

18. Which false doctrine is Satan using to bring people under his deceptions? See quotation.

Through the two great errors, the immortality of the soul and Sunday sacredness, Satan will bring the people under his deceptions. While the former lays the foundation of spiritualism, the latter creates a bond of sympathy with Rome. The Protestants of the United States will be foremost in stretching their hands across the gulf to grasp the hand of spiritualism; they will reach over the abyss to clasp hands with the Roman power; and under the influence of this threefold union, this country will follow in the steps of Rome in trampling on the rights of conscience. {GC 588.1}

19. What words in Genesis 3:4-5 show us that this was the first sermon preached on the false doctrine of the immortality of the soul?

-
20. **Current Event:** AI App Lets You Speak To The Dead | The View
[YouTube.com/watch?v=mCDWMbSHySA](https://www.youtube.com/watch?v=mCDWMbSHySA)

21. Is there consciousness in the grave? Ecclesiastes 9:5, 6, 10; Psalm 146:3-4; Job 14:10, 21

-
22. What happens to our dead loved ones who lived a righteous life? Are they praising God in heaven right now? Psalm 115:17; Psalm 6:4-5; Isaiah 38:18, 19

-
23. Can the dead come back to visit and communicate with their loved ones who are living? Job 7:7-10

-
24. Why will so many be deceived in these last days? 2 Thessalonians 2:9-12

-
25. Which miracle will be the crowning act of Satan in these last days? 2 Corinthians 11:14-15; Matthew 24:23-25

“As the crowning act in the great drama of deception, Satan himself will personate Christ. The church has long professed to look to the Saviour’s advent as the consummation of her hopes. Now the great deceiver will make it appear that Christ has come. In different parts of the earth, Satan will manifest himself among men as a majestic being of dazzling brightness, resembling the description of the Son of God given by John in the Revelation. Revelation 1:13-15. The glory that surrounds him is unsurpassed by anything that mortal eyes have yet beheld. The shout of triumph rings out upon the air: “Christ has come! Christ has come!” The people prostrate themselves in adoration before him, while he lifts up his hands and pronounces a blessing upon them, as Christ blessed His disciples when He was upon the earth. His voice is soft and subdued, yet full of melody. In gentle, compassionate tones he presents some of the same gracious, heavenly truths which the Saviour uttered; **he heals the diseases of the people, and then, in his assumed character of Christ, he claims to have changed the Sabbath to Sunday, and commands all to hallow the day which he has blessed. He declares that those who persist in keeping holy the seventh day are blaspheming his name by refusing to listen to his angels sent to them with light and truth. This is the strong, almost overmastering delusion. Like the Samaritans who were deceived by Simon Magus, the multitudes, from the least to the greatest, give heed to these sorceries, saying: This is “the great power of God.” Acts 8:10.** {GC 624.2}

26. Let us close on this point. Satan inhabits and uses mediums to deceive, but Jesus wants to inhabit us so that we can accept the truth and be saved. The controversy between truth and deception must be on display so that what can be seen and understood?
1 Timothy 3:16

27. What is the mystery of godliness? Colossians 1:26-27

28. What must we do for Jesus to inhabit us so that we are not deluded by Satan?

a) James 4:7-8

b) Galatians 2:20; 1 Corinthians 15:31

Let those who are not permitted to rest in quietude, but who must be continually on the move, pitching their tent tonight in one place and tomorrow night in another place, remember that the Lord is leading them and that this is His way of helping them to form perfect characters. In all the changes that they are required to make, **God is to be recognized as their companion, their guide, their dependence.** {GW 270.2}
