ELON MUSK & SCIENTISTS TRY TO CURE SIN/CRIME. SATAN'S BATTLE FOR THE MIND

1. In this Sabbath School Lesson, we will study how sin entered the world, if science can cure it, and the final battle over our minds.

2. Current Event: **Organisms Living Inside Psychopaths Could Be Driving Bad Behavior, Scientists Claim**

In bound-to-be-controversial new research, scientists claim they've discovered a link between the specific balance of microflora in the gut and psychopathic behavior.

As detailed in a yet-to-be-peer-reviewed study, a team of researchers led by University of Porto biomedical scientist Carolina Costa say they've found the first-ever evidence of how microbiota could influence traits linked to psychopathy — a controversial personality construct characterized by lack of empathy, poor behavior control, as well as antisocial and in extreme cases criminal behavior.

The team suggests that *Allisonella*, in particular, has been linked to human diseases and has been found to promote inflammation, a "key factor in psychiatric disorders such as anxiety and depression," thereby suggesting a "possible link to psychopathy." <https://futurism.com/health-medicine/psychopaths-microbiome>

3. **Note:** This article is one example proving that many scientists and researchers are seeking to find the source of disease: both of mind and body, apart from God. What is the root cause of a person who lacks empathy, has trouble controlling their behavior, and in extreme cases, performs criminal behavior? Sin!
4. What does Paul warn Timothy to avoid in the last phrase of 1 Timothy 6:20?

a) **Note:** True science validates the testimony of the Bible and does not contradict it.

5. Let us now study sin and its entrance into the world. We will clearly see that the controversy from the beginning to the end of Earth's history has been over the mind. What is sin according to 1 John 3:4?

-
6. What does the law reveal? Romans 7:7

-
7. Read the following scriptures. Does the Bible teach that sin is a choice or are we born sinning? James 4:17; Deuteronomy 30:19; 1 Corinthians 10:13

-
8. By whose choice to transgress did sin enter the world and passed death to all mankind? Romans 5:12, 14; Genesis 3:6-7

-
9. Write down how the following verses describe man's nature after the sin of Adam.

a) Romans 7:18

b) Jeremiah 17:9

-
10. **Note:** Since sin is a choice, it means that we are not born sinners, but we are born with the sinful desire to sin. Some sinful desires have been passed down from our ancestors and others are habits that we have cultivated. **Using your best judgment**, write down if the following verses are describing a **hereditary** predisposition to sin, a **cultivated** habit of sin, or **both**.

a) Exodus 20:5

b) Romans 7:19-20

c) Psalm 51:5

d) Romans 6:16

11. Because of Adam's sin, we all have hereditary and cultivated tendencies to do evil but the gospel of Jesus gives us hope of freedom from this bondage. Whose nature and flesh did Jesus have on Earth, and whose nature did He not take on? Hebrews 2:14-17

12. What two groups of angels are there based on scripture? Revelation 12:7-8; 2 Peter 2:4

13. **Note:** When Jesus came to Earth, He did not take the sinless nature of the angels in heaven. He came in the likeness of men, having the same desire as we do to sin. See Philippians 2:5-8. We also see that Satan and his evil angels are here on Earth, warring over our mind seeking to influence us to sin against God as he did in heaven. See Revelation 12:12.

14. How does Jesus' life on Earth give hope to the sinner? Hebrews 4:15-16; Romans 8:3-4

15. Notice how these next headlines prove that modern science is trying to undue the curse of sin, death, and disease without the aid of Jesus. Notice also what book of the Bible people are connecting this technology to.

Prophetic Warning Emerges After Elon Musk Compares Neuralink Technology to Jesus' Miracles

Elon Musk is drawing major attention—and concern from some Christians—after comparing Neuralink's experimental brain-chip technology to the miracles of Jesus Christ.

"Putting technology on par with Jesus is exactly what is talked about in the book of Revelation," Grace said in a recent video message.

Elon Musk On "Jesus-Level" Technology

[YouTube.com/shorts/orrA6DuSpU4](https://www.youtube.com/shorts/orrA6DuSpU4)

Canadian with ALS gets Elon Musk's Neuralink brain implant

[YouTube.com/watch?v=3FqJuVBZZRA](https://www.youtube.com/watch?v=3FqJuVBZZRA)

16. Some people believe that Neuralink is the Mark of the Beast. Based on the Bible, it is not the Mark of the Beast. However, it highlights the broader theme that the battle between Christ and Satan is over our mind. Using the brain implant to assist debilitated patients on the surface seems like a worthy application of this technology. However, how does the Bible describe the intentions of man just before the Second Coming of Jesus? Genesis 6:5; Matthew 24:37

17. Notice what one recipient of Neuralink named it and how he responds to questions about the implant.

Meet the Christian Cyborg Who Named His Brain Chip Eve

Interviewer: I noticed you named your implant Eve. Why is that?

Interviewee: There were a few different reasons why I chose the name Eve. I've always loved the name Genevieve. And then there's WALL-E and EVE, [or Eva](#). So I thought that's kind of cute, being robotic and everything. I also said we're on

the eve of something great with Neuralink. **Then, obviously, God made Adam, and he gave Adam a helper named Eve. And I always like to throw in a little joke: Adam and Eve cursed humanity, and so I said maybe it'll be the same thing with me and this implant.**

Interviewer: Are there any boundaries in what you want the machine to be trained in?

Interviewee: **I don't want this to become a situation where you can control people's minds, control people's thoughts—where you can write onto someone's brain things that you would like them to see or hear or act. But I think there is almost an infinite number of applications,** such as being able to input and output different languages. So those sorts of things I'm really excited for. Again, I'm blown away by what the Neuralink is capable of, and it's just implanted in my motor cortex.

18. What does 2 Corinthians 2:11 say?

19. How does the Bible describe the experience of Eve in contrast to Adam? 1 Timothy 2:14

20. Satan promised Eve that she would be as a god but she was deceived into sin. Who did she doubt and whose servant did she become? Genesis 3:1, 4-5; Romans 6:16

...When she “saw that the tree was good for food, and that it was pleasant to the eyes, and a tree to be desired to make one wise, she took of the fruit thereof, and did eat.” **It was grateful to the taste, and as she ate, she seemed to feel a vivifying power, and imagined herself entering upon a higher state of existence.** Without a fear she plucked and ate. And now, having herself transgressed, she became the agent of Satan in working the ruin of her husband. In a state of strange, unnatural excitement, with her hands filled with the forbidden fruit, she sought his presence, and related all that had occurred. {PP 55.3}

21. What will the controversy be over in the last days as it was in the Garden of Eden? Revelation 13:4; Revelation 14:9

22. Who is the beast which the angel messages warn us not to worship? (Note: Carefully study Revelation 13:1-10 and Daniel 7:25).

23. What is the mark of the Papacy which will officially become the Mark of the Beast when it is enforced by law? Revelation 13:15-17

WHO CHANGED THE SABBATH TO SUNDAY?

Cardinal Gibbons, in *Faith of Our Fathers*, 92nd ed., p. 89, freely admits, “You may read the Bible from Genesis to Revelation, and you will not find a single line authorizing the sanctification of Sunday. The Scriptures enforce the religious observance of Saturday, a day which we [the Catholic Church] never sanctify.”

Again, “The Catholic Church, ... by virtue of her divine mission, changed the day from Saturday to Sunday” (*The Catholic Mirror*, official publication of James Cardinal Gibbons, Sept. 23, 1893).

“Protestants do not realize that by observing Sunday, they accept the authority of the spokesperson of the Church, the Pope” (*Our Sunday Visitor*, February 5, 1950).

“Of course the Catholic Church claims that the change [Saturday Sabbath to Sunday] was her act... And the act is a mark of her ecclesiastical authority in religious things” (H.F. Thomas, Chancellor of Cardinal Gibbons).

24. Where will the Mark of the Beast be placed? Revelation 13:16

25. Why will it be placed in the forehead? What does that represent? Romans 10:10 (notice that heart means mind); Proverbs 23:7

26. **Note:** Satan is trying to get control of our minds by his temptations and even through technology so that we will yield to him and reject God's truth in these last days.

27. What are we counseled to do since there is a war over our mind? Proverbs 4:23

28. What does Jesus want to place in our minds so that we will reject the Mark of the Beast and accept the seal of God? Hebrews 8:10; Isaiah 8:16

29. As we close, meditate on the following points. What must we accept from Jesus to overcome our hereditary curse of sin and death passed down from Adam? Romans 5:17

30. What does grace empower us to do through Jesus? Titus 2:11-12
